

ABOUT FOXFIRE'S SUMMER OFFERINGS

These are our leagues, and weekly events for 2017. Come in this summer, beat the heat, and join the fun.

For those of you that have never bowled in a league before let me start off by letting you know that you are not alone.

Millions of people take up league bowling every year, and around a hundred of that at Foxfire. Many choose to start with a summer league because the season is shorter; around fourteen weeks, compared to the thirty two week average of the fall season.

Many people think leagues are for the good bowlers; Although some leagues are geared toward the better bowlers, most leagues are considered social or recreational leagues. Most people join leagues because they enjoy the competition and friendships that develop amongst team and league-mates. We have leagues for all ages, and skill levels. Ask us and we'll be glad to help you find the one for you.

You should also be aware that Foxfire's League Bowlers receive discounts on open bowling, shoe rental, many proshop purchases, as well as other benefits like the Surprise Prize Wheel, and the Whammy. Our youth league bowlers receive free shoe rental any time!

We work with you on your issues, and help you improve your game. At 7pm two games will be scored, and recorded online for you. Competition is against one's self, as scores are not paired against anyone, but are tracked over the course of the summer. There is no "season commitment" to the league, but many benefits to bowling regularly. Those that are not otherwise league members pay \$10 and gain a week's league bowler benefits after each week bowled, including free shoe rental for youth bowlers. A custom fitted ball will be awarded at the end of the league, based on a drawing. Drawing chances are gained: 1 per seminar attended, 1 per game bowled between 7 and close, and 1 per pin of average improvement. Progress can be tracked online. The difference . . . The Fox. Foxfire will field a team, captained by Frankie Dunn. Each night the team scheduled to bowl against her team has an added incentive. Catch (beat) the Fox and your team wins the night's dues back. Other teams are still chasing every night because at the end of the season any team that catches the Fox (has a higher pins with handicap than the Fox) gets an additional week's dues back. These prizes are paid by Foxfire, and not charged against the regular prize fund. So can you Catch the Fox?
