

FOXFIRE'S TOUGH SHOT POTS

TOUGH SHOT POTS (Non-League weekly event) Mondays 6:30pm

Each Monday at 6:30pm starting April 3rd, we will host the Tough Shot Pots.

Entry fee as little as \$20 includes 4 games and scratch or handicap series. Handicapping is 90% of 230.

The lane condition will be different every week. A combination of Pro and Sport conditions, each presenting its own challenges give bowlers a chance to test themselves on a tough condition while in real competition without spending a ton of money traveling and paying for tournaments.

The Tough Shots is open to bowlers age 13 and up, with cash prizes for adults, converted to scholarship for youth winners.

This is a great opportunity for those wanting to better their game on tougher conditions. You may have heard the expression "To be the best, you need to beat the best". This applies to lanes to. Challenge yourself to improve.

Bonus: After the TSP, participants can practice or pot bowl on the tournament condition for just \$1 a game.
